

TECHNICAL RIDER ADRI VINCHIRA

What she brings:

- Roland SP-404MK2 Sampler
- Mopho Dave Smith Synthesizer
- Boss VE-20 Vocal Processor
- Shure SM 58 microphone
- Cables for her devices

What she needs:

- A sound check before doors open
- Sound system with suitable power for the venue
- 1 flat table, minimum 1,20 cm large
- A mixer with 6 channels minimum
- **Cables to be provided by the venue (stage → mixer):**
 - **4 x 1/4" TS (mono) cables**
 - 2 for Roland SP-404MK2 (Left & Right)
 - 2 for Mopho Synthesizer (Left & Right)
 - **1 x XLR cable** for Shure SM58 (vocals)

*(She brings short cables to connect her equipment on stage;
the venue provides the longer cable runs from stage to mixer.)*

Thanks for your help !
